Dear Carrville Community,

We hope that you have all had a great start to the school year. We represent School Council, a group of parents, caregivers, and community members who liaise with administrators and teachers in support of student well-being, learning and achievement.

EVERYONE is welcome to attend School Council meetings, which take place the following Thursdays at 7:00 p.m. in the school library: **Nov. 15, Feb. 6, Apr. 10, May 9, Jun. 13.**

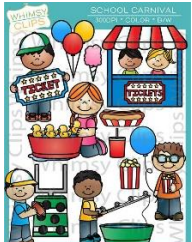

Throughout the school year, School Council helps organize a variety of activities to bring together the Carrville Mills community and raise funds to enable our school to purchase items or services to enhance school programs for our children. We partner with the school to run various events.

Many parents and caregivers want to know what to look forward to this school year and how they can help. Please take a look at the list of upcoming events and how you can help. Please contact us anytime at carrville.mills.ps@sc.yrdsb.edu.on.ca.
