

Raising Innovators & Entrepreneurs

featuring guest speaker

Lucas Chang

Lucas is an entrepreneur and passionate advocate for youth's ability to contribute innovative solutions to complex challenges. As the father of a high school student, he is familiar with the worries that come with rapid changes in society and will provide advice to parents and youth on how to develop the skills and mindsets that will be required for success.

December 13, 2018

7:00 p.m. - 9:00 p.m.

Aaniin Community Centre & Library

5665 14th Avenue

Markham

Attention Parents of Grade 7/8 Students

- Wondering what your child's pathway to success will be?
- Worried about the impact of societal changes on your child's career future?
- Wanting to support your child's creativity and teach them how to harness it?
- Wondering what supports are available within YRDSB and York Region for youth innovation and entrepreneurship?

Students Welcome
